

SAN BERNARDINO MOUNTAINS

LET'S KEEP THEM GREEN & FIRE-RESISTANT

MOUNTAIN AREA SAFETY TASKFORCE

HELPING YOU PREVENT FOREST FIRES

- Removing more than one million dead or dying trees.
- Reducing the danger of fire.
- Restoring the health of the forest.

Working together, we can reduce the risk of catastrophic wildfires.

TREE REMOVAL DEADLINE: JUNE 30

HELPING YOU PREVENT FOREST FIRES

The deadline for private property owners to have dead, diseased or dying trees marked for removal is June 30, 2007.

Trees registered with the program will be removed through 2008.
